The Court held a telephonic conference on July 14, 2020, to discuss a discovery issue. After consideration of the issue and the parties' arguments, for the reasons stated on the record, the Court finds and orders:

1. Defendant Amanda Bellerose shall provide Plaintiff with copies of the insurance policy pursuant to which an insurance company is providing a defense in this matter. Defendant shall also provide Plaintiff with copies of the policies that were in effect during the period that is the subject matter of Plaintiff's claim.
2. Defendant represented that the insurance company is providing a defense for Defendant under a reservation of rights. On or before July 17, 2020, the parties shall submit citations to legal authority they believe to be relevant to whether Defendant should be required to produce a copy of the reservation of rights letter.
3. The deadline for Plaintiff to file a reply memorandum in support of Plaintiff's Renewed Motion for Attachment (ECF No. 178) is extended to 14 days

following the date on which the Court issues an order on the discoverability of the reservation of rights letter.
